    - Sparklers may only be used on asphalt or concrete areas outside behind the building. Sparklers may not be used on any patios.
  - Fireworks **ARE** allowed, but **MUST** be provided and set off by a professional company that regularly provides these services. The fireworks company will need an approval letter from the resort and will need to acquire a permit from the Burrell Township office. They will then need to be in contact with the grounds crew on the day of the event to confirm set up location – which will vary depending on course conditions and/or seasonal maintenance taking place.
    - You **MUST** notify the Director of Event Sales if fireworks are planned for your event because we will need to notify several local residents and businesses.
    - You/your family may **NOT** set off your own fireworks.

### **PLANNING NOTES:**

- ◆ The details planning phase begins with the setup and details questionnaire.
  - This packet will be sent via email 6 months before the wedding for you to fill out and will cover all non-food related event details (event timeline, room set up, linen colors, vendors, package selected).
  - When complete, the questionnaire is then returned to the Director of Event Sales via email, who will then review the document to note any questions/concerns.
  - An online video meeting or a phone call will then be scheduled to review your answers and finalize these details.
  - Once the review is completed, a preliminary event order and a tentative floor plan will be built, and PDF copies of both will be emailed to you for review. These documents will be revised and resent once the meal tasting has been done.
- ◆ Please see the planning timeline at the end of this packet for more information and the steps to be taken in planning your event.

### **VENDORS:**

- ◆ It is your responsibility to share these venue rules with your vendors to ensure their understanding and compliance.
- ◆ Vendors are required to use GAFF tape when taping cables to the floor. Duct tape/Gorilla tape are **NOT** permitted.
  - Vendors are prohibited from using tape of any kind on the walls or other fixtures in the room(s).
- ◆ Vendors are permitted to start setting up as of 9:00 am on the day of the event.
  - Vendors that require more time or need to set up the day/evening before **MUST** contact the Director of Event Sales for permission. Any vendor arriving without pre-approval will be asked to leave and return the next morning.
- ◆ Vendors may not be able to deliver/store any of their equipment or supplies prior to the day of the event. Vendors needing to arrange drop off/storage in advance of an event must be approved by the Director of Event Sales.
- ◆ Vendors may cleanup for up to 1 hour following the end of the event.
- ◆ Vendors that will be seated/eating during the reception must be counted with final headcount.
  - Chestnut Ridge will charge 50% of the selected package price for confirmed vendors.

## **BAR PACKAGE:**

- ◆ All alcoholic beverage sales and services are subject to the rules and regulations of the Pennsylvania State Liquor Control Board. Due to licensing requirements from the PLCB and quality control issues, all food and beverage items to be served must be supplied and prepared by the resort.
- ◆ All adults 21 and older will be charged the full bar package price.
- ◆ Guests 13-20 years old will receive a \$20.00 discount off of the selected package since they will not be consuming alcohol.
- ◆ Guests 12 and under will not be charged any price for the bar package (but are still allowed to get soda or juice from the bar).
- ◆ The event bar shall operate following the timeline established on the final confirmed event orders.
  - No drinks will be served when the bar is closed for 1 hour after cocktail hour or when the bar is closed at the end of the reception.
  - Guests wanting drinks (other than coffee/tea/water) while the bar is closed may go to the public bar downstairs to purchase their own drinks.
    - Public bar operating hours may vary depending on the season and crowd levels.
- ◆ Event bar service will only be set up in the designated room/space for the event.
  - No food or drinks will be set up outside on the patio.
- ◆ All alcoholic beverages will be served directly from the bar to the guest.
  - No table service for drink orders will be provided by the service staff.
  - Table service **MAY** be available to the head table for their first round of drinks only if they were not present for cocktail hour with the rest of the guests. *\*Depending on time available; head table service cannot be guaranteed.\**
- ◆ **NO SHOTS OR "DOUBLES" WILL BE SERVED AT THE BAR.**
- ◆ All juices, mixers, sodas, and standard garnish are included in the bar package.
- ◆ **ABSOLUTELY NO OUTSIDE ALCOHOL IS ALLOWED ON RESORT PROPERTY** – this includes ALL event rooms, public areas within the resort, as well as the pavilion and golf courses.
  - This applies to ALL guests, including members of the bridal party and immediate family.
  - Any outside alcohol found will be confiscated and discarded.
  - At the discretion of the manager on duty, the individual(s) violating this policy may be asked to leave.
  - It is **YOUR** responsibility to ensure friends/family/guests are aware of this zero tolerance policy.
  - If there is something special or specific that the bridal party or family want that is not on the bar menu selected, we may be able to make special arrangements in advance to add options to the bar package.
    - Arrangements must be made no later than 1 week before the wedding date and are subject to product availability. Pricing will vary.
    - No add-ons can be made after the final invoice has been written.
- ◆ No guests under 21 will be served ANY alcohol.
  - This includes the bridal party and immediate family.
    - Champagne toast ordered for the event can substitute non-alcoholic sparkling cider for underage guests if requested. If no substitute is requested, they will not be included in the toast count.
  - Any guest found ordering or providing alcoholic beverages to any guest(s) under 21 will be asked to leave.
- ◆ All alcohol served MUST be under the supervision of a resort staff bartender at all times.
  - Self-serve alcohol is NOT allowed.
  - Excessive and/or disruptive behavior by guests will be closely monitored by resort staff and guests not behaving properly may be refused service at the bar and/or asked to leave.
- ◆ **Bartenders:**
  - There is a \$75.00 fee per bartender. We recommend 1 bartender per 100 guests.
  - Bartenders will have unlabeled glass tip jar(s) in full view at the bar for use at the guest's discretion.
  - Bartenders reserve the right to ID any guest they feel is necessary.
    - Guests without proper identification will not be served – this includes bridal party and immediate family members.
  - Bartenders have the right, at their sole discretion, to refuse or discontinue service of alcoholic beverages to any guest deemed to be intoxicated, argumentative, or perceived as a threat to themselves or others.
- ◆ No "last call" will be announced by the bartender(s) and we ask that your DJ not make an announcement either.

## **MEAL TASTING:**

- ◆ A customized complimentary in-person meal tasting will be offered after the wedding has been officially booked – 3-6 months before the event date (after the questionnaire and review have been completed).
- ◆ A maximum of 6 people may attend the meal tasting. This is usually the bride, groom, and up to 4 others.
  - The number of guests attending the meal tasting must be confirmed no later than 1 week before the tasting appointment so that the chef may prepare accordingly.
- ◆ After you have set the appointment for the tasting, you will submit your menu selections via email no later than 2 weeks prior, so that your selections can be given to the chef to prepare.
- ◆ The meal tasting is free of charge, but does not include any alcoholic drinks or gratuity for the server.
  - We recommend that you tip your server for the meal tasting as though you ordered everything out at a restaurant.
- ◆ The tasting will take approximately 1 hour.
  - Any items you are not ready to confirm can be left for a decision at a later date.
- ◆ If you would like to take your guests on a walk-through of the ballroom and/or pavilion, you are welcome to do so on your own before or after the meal tasting appointment – please be sure to verify event schedule with the Director of Event Sales.

## **MENU:**

- ◆ Changes to menu and event setup are allowed up to two weeks before the event date. No changes to menu or event setup will be allowed after that deadline.
- ◆ Menu pricing is guaranteed as of the menu used for the meal tasting if completed 3-6 months before the wedding.
  - Exception: commodity market failure – alternatives would be offered before a pricing adjustment would be required.
  - No changes would be made without prior notification.
- ◆ For a Plated Meal:
  - You may offer guests 2-4 entrée selections (depending on package chosen) for an RSVP meal choice.
  - It is your responsibility to keep track of the meals selected by your guests and to have them correspond to their seating assignment with a visible place card at each seat (to be picked up by guests upon arrival or preset at tables).
  - It is also your responsibility to provide resort staff with a key to identifying each guest's meal selection indicator to assist them in efficiently serving your guests.
- ◆ For a Buffet Meal:
  - All guests will have the option of all items you have chosen for the buffet menu.
  - A place card with meal indication is not required for a buffet meal.
  - The head table will be served plated versions of the buffet menu before guests are released to the buffet line.
- ◆ For Kid's Meals:
  - Generally, kid's meals are not ordered for kids 4 and under – unless you would like to (at additional cost).
  - Because kids 5 – 12 are charged 50% of the selected package price, they may either go through the buffet or you may choose to order a plated meal for them (separate menu can be provided).
  - A single option kid's meal should be selected for all kids aged 5-12 if you would prefer a plated meal for them.
    - Plated kid's meals will only be served to the kids they have been ordered for, and additional kid's meals will not be available on the night of the event.
- ◆ Guests with dietary concerns or restrictions can be accommodated with a special plated meal with advance notice.
- ◆ Leftover Food Policy:
  - The resort will **NOT** pack any leftover buffet food that was prepared and served by the resort, nor are guests allowed to provide their own containers to pack their own leftovers from the buffet.
    - Individuals who need a to-go container for their own unfinished plated meal may request one from their server.
  - Perishable hors d'oeuvre displays cannot be packed to take home since by the end of the night they will have been sitting out unattended for hours.
  - For a plated meal, the chef will prepare exactly the number of meals ordered.
    - Unfortunately, if there are meals not used due to no-show guests, the extras are discarded at the end of dinner service because they have been sitting without temperature control for about an hour and at that point we can no longer guarantee their safety to be transported home and then eaten at a later time.
    - If you know in advance (no later than the beginning of cocktail hour) that there are guests unable to attend at the last minute; their meals can be packed and properly stored by the staff and then you can collect them at the end of the night.
      - Proper notice for these meals must be given to the Director of Event Sales or the Banquet Manager.
      - Please be advised: no-show meals are **ONLY** packed up if we are notified in advance.

## **DECORATING AND SETUP:**

- ◆ No standard decorations or centerpieces are included in the room rental.
  - We can provide 12 inch square mirrors to use as part of your centerpieces. We also have two different options for table numbers and 12 inch tall silver stands to hold them. These are all available at no additional charge – but must be confirmed in advance.
- ◆ No tape, nails, staples, or screws are allowed on any surface (tables/chairs/walls/etc).
- ◆ Decorations are allowed on tables only. No decorations may be attached to the walls, ceilings, windows, trim, or doors.
- ◆ Arches or backdrops must be freestanding and may not be attached to the walls.
- ◆ Confetti in any form (paper, birdseed, rice, metallic cutouts, fake snow) is not allowed. No loose glitter is allowed.
- ◆ Open flame candles **ARE** allowed, but **MUST** be in a container designed to collect wax drippings.
  - No taper candles are allowed. This includes single taper candlesticks and/or candelabras.
- ◆ You may arrange for up-lighting for the reception décor through your DJ or a lighting production company; the resort does not have this equipment.
- ◆ Round guest tables are 72 inches and can seat up to 10 guests per table.
- ◆ A limited number of 8 foot tables are available to use for the gift table, DJ station, photobooth, etc. These will be confirmed in advance when the floor plan is established.
- ◆ Standard banquet chairs are silver framed with grey seat and back cushions.
  - Special rental chairs (such as Chiavari chairs) may be available to rent through the resort for an additional fee if not included in your chosen package.
  - Rentals must be ordered/confirmed no less than 2 weeks before the event and are subject to availability by the rental company.
  - These rentals and applicable delivery/setup fees will be at your expense and will be added to the final event invoice.
- ◆ All standard resort china, glassware, flatware, and serving equipment is included with the room rental fee.
  - Specialty items requested may be available to rent for an additional fee.
- ◆ Table Linens and Napkins:
  - Round guest tables, cocktail tables, and auxiliary tables will have floor length linens (or specialty table set up).
  - Specialty linens (length/style/color) may be available to rent for an additional fee.
  - Linen Napkins are available in a variety of colors and folds.
- ◆ Upper terrace patio is for private banquet events (weddings, etc); but may be shared if there is more than one event in the banquet rooms at one time.
  - Therefore, we discourage decorating the patio in case it is a shared space with another event.
- ◆ Restrooms in the hall outside of the ballroom may be shared with another event upstairs. Therefore, we may discourage decorating with personal items in these (potentially) shared areas.
- ◆ Setup and cleanup of décor is your/family's/vendor's responsibility. The resort does not provide full event decorating services.
  - You (and/or your vendors) must come prepared for you/their own decorating needs including scissors, tape, string, etc.
- ◆ Director of Event Sales and/or Resort staff may be able to assist with some setup (place cards, favors, etc) the day before or the day of the event. Subject to availability. Please be sure to confirm these needs in advance to be guaranteed.
- ◆ Due to limited storage facilities, you may only store décor up to 2 days before the event (subject to availability).
- ◆ Event Cleanup:
  - You must take all cards and gifts at the end of the reception.
  - Resort staff will move all centerpieces, decorations, and anything else left behind to a few tables, and then you/your family/vendor(s) will be responsible to pack and take everything home the next morning (usually) between 9 am and 12 pm.
    - Any food (cake/cookies) will be brought out of cooler storage the morning of pick up and will be placed with the rest of your things to be picked up.
  - Everything you/your vendors have brought in must be removed from the facility no later than the morning after the event.
  - If there is an event scheduled in the same room(s) the day after your event, the resort staff will move all decorations, etc to another available event room or office, and will confirm pick up location with you in advance.
  - **Chestnut Ridge Resort is not responsible for any lost or damaged items left after your event.**

## **CEREMONY:**

- ◆ Ceremony Time:
  - All ceremonies will take place 30-60 minutes before the cocktail hour is scheduled to begin. A gap in the timeline between these two events will not be permitted.
- ◆ Ceremony Options:
  - Chestnut Gardens Pavilion – 300 people max – semi circle facing the golf course - \$2,500.00 rental fee.
  - London Ballroom – 165 people max – airwalls dividing the room with theater style seating facing the windows - \$1,500.00 rental fee.
  - Crystal Terrace Room – 175 people max – theater style seating facing the golf course windows - \$2,500.00 rental fee.
- ◆ Ceremony Chairs:
  - Ceremony rental fee includes standard chairs for each location:
    - Chestnut Gardens Pavilion – white folding garden chairs
    - London Ballroom or Crystal Terrace Room – cushioned banquet chairs
  - Specialty chairs can be rented for your ceremony at additional cost (to be billed on final invoice)
  - Chairs cannot be moved from a ceremony at the Chestnut Gardens Pavilion or the Crystal Terrace Room to be used in the London Ballroom for the reception.
- ◆ Ceremony Décor – Outside ceremony:
  - Real flower petals MUST be used if planning to scatter on the ground.
  - You may do a unity candle ceremony, but we recommend you use a lantern-type container to hold the candle because wind at the pavilion will often prevent the candle from staying lit.
- ◆ Ceremony Décor – Inside ceremony:
  - No real flame candles or water filled vases are allowed on the floor along the aisle. Flameless candles (and no water) should be used instead.
  - Greenery and/or real/fake flower petals are permitted along the aisle if desired. Our staff will clean these up at the end of the ceremony.
- ◆ Ceremony Rehearsal:
  - We allow a complimentary ceremony rehearsal (up to 1 hour) with your wedding party the day before your wedding.
  - We recommend scheduling the rehearsal at least 2 weeks in advance so that this time is guaranteed for you.
  - Please make sure everyone involved in the rehearsal arrives promptly on time for the start of the rehearsal as there may be other appointments or events booked after your rehearsal that cannot be changed at the last minute if your group is running late.
  - The Director of Event Sales will be present during the rehearsal to help organize the processional/recessional and sequence of events during the ceremony if needed.
    - If you have hired your own day of coordinator, we will work with them to ensure the timeline is closely followed and all venue rules/regulations are observed.
  - The rehearsal will take place at the ceremony location unless that space is being used for a conflicting event.
    - If rehearsal space is being used for another event at a later time that day, but not during the time needed for rehearsal, then the ceremony rehearsal will be scheduled at that location. However, the other event's schedule cannot be adjusted to allow for extra rehearsal time for the wedding, nor can their event set up be modified significantly to allow for the rehearsal.
    - Rehearsal guests need to be conscious of the rehearsal space (trash, empty glasses, personal belongings, children).
- ◆ Inclement Weather Policy for Outdoor Ceremonies:
  - Ceremonies scheduled outdoors will proceed as planned, rain or shine.
  - Guests seated under the pavilion are expected to walk from the pavilion to the resort building (including steps) after the ceremony, so they should plan appropriately (shoes, umbrellas, jackets, etc).
    - Golf cart transportation can be arranged for guests not able to walk longer distances and/or up steps.
  - If you wish to change the location of your ceremony, this must be confirmed at least several days in advance – before the ceremony location is scheduled to be set up by resort staff, in order to avoid penalty setup charges.
    - If the decision to change ceremony location is made after the original location has already been set up, then you will be billed for the first location set; and may also be subject to a \$250.00 change fee.
    - If no comparable option is available to move the ceremony, or if the decision is made on the day of the event, the only other option is to have guests sit at their assigned tables in the ballroom and a smaller modified theater style (24 chairs max) ceremony can be set up for immediate family on the dance floor. There is no charge for this change, and be advised: charges for original ceremony set up will not be refunded.

### **AFTER PARTY IN BAR:**

- ◆ The bar downstairs will be open until 12:00 am (midnight) following the end of your reception.
- ◆ You may arrange (in advance) for late night food to be available to your guests while at the bar.
  - The kitchen is not kept open late night to take orders, so no a la carte orders can or will be taken during the after party.
  - **NO OUTSIDE FOOD IS ALLOWED TO BE BROUGHT INTO THE AFTER PARTY IN THE BAR.**
  - Please see page 6 in the menu guide for food options.
    - There is a \$500.00 Food & Beverage minimum to be met for late night food orders at an after party.
- ◆ Visibly intoxicated guests WILL NOT be served.
- ◆ Guests must be fully dressed and shoes must be worn at ALL times while at the after party.
- ◆ **NO SMOKING OR VAPING ANYWHERE INSIDE THE RESORT BUILDING – INCLUDING THE BAR.**
- ◆ Guests under 21 are permitted but are not allowed to sit at the bar and must be with an adult at all times.
- ◆ Guests not behaving will be given ONE warning. A second offense will result in removal from the bar.
- ◆ It is our policy to shut down the bar in the event of any fights or altercations – regardless of who is involved – wedding or general public. All guests must vacate the bar and the night will end.
